

PTSC - Trinidad

City Transport Service

City Service

For those of you who wish to move within the parameters of the City of Port-of-Spain in the North, and San Fernando in the South, it is our pleasure to provide you with our "City Service" buses for your travelling comfort. These buses were purchased in 2008 with a seating capacity of 33 seated and room for standing passengers. Equipped once again with AM/FM radios and fabric covered seats, commuters can have an enjoyable experience within the confines of a spacious and fully air-conditioned bus as they travel around both Cities.
